

December 15, 2021

Hello, again. It's been a very busy week since our last Newsletter.

I've posted lots of new recipes:

- Slow Cooker Mongolian Beef,
- Scalloped Potatoes & Ham,
- Potatoes Anna,
- Haluski,
- Panzella Salad,
- Prime Rib,
- Texas BBQ Brisket

PLUS some of my favorite Christmas Cookies like

- Butterballs,
- Roshky,
- Pinwheels,
- Peanut Butter Kisses, and
- Pecan Tarts.

And I've added a few never-before-published recipes from my family vault like Clothespin Cookies, Sugar Cookies, and Kolachi. I just love Christmas and all the baking you get to do. There's nothing like having Family and Friends over for an afternoon filled with Cookies, Tea, or my preference... Wine.

Plus... I've been systematically moving ALL of the Recipes over from the old Facebook® page to this website. I think I've got most of them going back about 18 months.

You know... You can **Share** or **Print** any of the individual recipes on the website with just a click of a button. I've tried to make using the site as User-Friendly as possible.

And if you haven't told your family & friends about us, what are you waiting for??? It's FREE and everyone likes to browse through a good catalog of favorite ol' town secret recipes.

Our main page has had almost 3,000 visits since we went live. The website isn't exclusive to current or former Youngstown residents. We are open to anyone with an interest in the Recipes that are special to NE Ohio. So, not only were you welcome to

Subscribe but so are your friends and relatives, across the country or even around the world. We just happen to think Youngstown Cuisine is the best. Period.

I've also added a Newsletter Archive where this and all of them are published for your review. There's no need to hold on to your email copies after you've read them. They're all in our Archive. Its link is in the right-side Info Panel and is labeled (*wait for it...*) "**Newsletter Archive**".

Want to contribute a recipe? Or have a suggestion about how the site works? Just email it to me by clicking [HERE](#). You can also leave comments or questions about an individual recipe at the bottom of each recipe.

I sincerely hope your experience on the new website will be enjoyable. Please feel free to **Share** this with your friends, neighbors, and, of course, your fellow NE Ohio natives. **Everyone's Welcome!**
