

January 4, 2022

I've been busy making changes & adjustments to our website, some minor and others, major.

First of all, I added a list of 20 of **MY** personal favorites. You'll find a link to them in the Sidebar on the right of each page. Or, you can just [CLICK HERE](#) to see them now.

Next, I added a bunch of new recipes...

If that isn't enough, I also added 3 *out-of-print* Cookbooks (Polish, Italian, & Hungarian) to our File Library for a total of **250 Pages of Recipes** dating back to '54 & '55. It's likely you'll find a few of your Grandmother's recipes in them.

And finally... The old Facebook page is no more. It ceased operations on the 31st of December. (All of that old content is now on the new website plus a lot more recipes and now even more Cookbooks.)

Currently, this Blog has 599 Registered Subscribers who have visited the main page of the website over 3,700 times. And we've just gotten started. If you haven't told **your family & friends** about us, *what are you waiting for???* **It's FREE.** You know... If each of us only got one extra person to subscribe we could be 1,200 members strong. They don't have to be current or former natives of Y-town. We are open to anyone with an interest in the Recipes that are special to NE Ohio, across the country, or even around the world. We just happen to think Youngstown Cuisine is the best. Period.

Want to contribute a recipe? Or have a suggestion about how the site works? Just email it to me by clicking [HERE](#).

And, of course, I'm very interested in what you think of the website - how it works - what's good about it - what's missing - etc. Write and let me know.

I sincerely hope your experience on the new website is enjoyable. Please feel free to **Share** this Newsletter with your friends, neighbors, and, of course, your fellow NE Ohio natives. **Everyone's Welcome!**
